USB update (power off and unplug your machine)

GAME CODE 1.0 NEED TO BE INSTALLED BEFORE PRACTICE THIS UPDATE.

Step 1. Download:

https://www.dropbox.com/scl/fi/itygxedru3edp8bsz129m/pinball-fh2-1010_1.code?rlkey=ypl5ayyayqxebu68a2yc2mn8&dl=0

Step 2. Remove the USB stick from the machine.

Step 3. Connect the USB stick into your computer.

Step 4. Copy the update file on the root of the USB stick. (just copy and paste on the USB)

Step 5. Disconnect the USB from your Computer.

Step 6. Put back the USB and turn on the machine.

Step 7. When the updates finished, keep the USB plugged in and power cycle the machine

---Please note that these instructions are intended for ALL awesome pinball minds alike. Whether brand new enthusiasts or old-school rebels. It's all about fun, and one for all here; in the endless Funhouse---
